Description

**Highlights**

**Multiple Benefits**

Garlic phytonutrients may help to maintain healthy blood pressure and cholesterol levels. Supports healthy immune responses and normal cell growth and renewal.

## Complete Formula

Features powders and extracts from a variety of allium vegetables -- garlic, onion, chive, and leek.

## Targeted Delivery

### Technology

Enteric coating maximises the product's stability and absorption and ensures the formation of 4,200 mcg of active allicin in the intestines. The amount is equivalent to that found in one clove of fresh garlic, shown in research studies to effectively promote health.

## No-Odour

### Formula

Minimises Garlic Breath

## Key Benefits

- Garlic phytonutrients may assist in maintaining blood lipid levels
- Supports efficient immune responses and normal cell growth and renewal
- Does not cause garlic breath!

## Details

- Natural antimicrobial properties\*
- 4,200mcg of allicin from pure garlic powder in each serving, with bioactive compounds from onions, chives, and leeks
- Exclusive targeted delivery technology takes garlic's active allicin directly to your intestine, eliminating aftertaste and maximising absorption
- Special, no-odour formula minimises garlic breath

## Usage

Take 2 tablets daily.
